

THIRD PHILIPPINE SMALL-SCALE FISHERIES NATIONAL SYMPOSIUM

"From Action to Replication: Scaling Up and Deepening the Impact of Small-Scale Fisheries"
October 21-23, 2026 | Batangas State University, The National Engineering University, Batangas City

GUIDELINES (Small-Scale Fisheries Vlog)

Vlog Guidelines:

Participants are expected to observe the following guidelines in preparing and submitting their vlog entries:

1. Video Quality

The vlog must be produced in the highest quality possible. The required video resolution is 720p (1280 × 720), with 1080p (1920 × 1080) preferred.

2. Language

The vlog may be presented in English, Filipino, or a combination of both languages.

3. Content and Audience Appropriateness

All content must be appropriate for audiences of all ages. Participants are expected to use respectful, responsible, and suitable language, images, and materials throughout the vlog.

4. Use of Images, Audio, Music, and Other Sources

Participants must observe proper and ethical use of images, sounds, music, videos, references, and other materials obtained from external sources. All materials that are not original to the participant must be properly credited and cited, with the original creator or owner acknowledged whenever applicable. Participants are responsible for ensuring that the materials used comply with applicable copyright and intellectual property guidelines.

5. Vlog Duration

The vlog must have a minimum duration of 8 minutes and a maximum duration of 12 minutes. A point deduction will be imposed for every 5 seconds that exceeds the 12-minute maximum

Submission:

● **Format:** <CODE>_<INITIAL OF FIRSTNAME><LASTNAME>of corresponding author/presenter_first three words of abstract.

For example: RPP_THEME1_JDELACRUZ_THEEVALUATIONOF.mp4

● **Deadline:** Submit the VLOG to <https://forms.gle/1gssmWv97PbrYySa8> on or before **09 October 2026**. Submitting early is encouraged. The Secretariat will no longer accept presentations on the day of the symposium.

Schedule:

All vlogs will be available for viewing throughout the symposium, playing on a continuous loop on a screen at the venue.
